RECRUITMENT NOTICE

Position: Mapping Specialist (Engineering Technician II)

Position No. 00190

Location: Big Stone Gap (Southwest, VA)

Salary Range: \$23,999 - \$49,255 (Band 3)

The Department of Mines, Minerals and Energy is seeking an individual to provide spatial database analysis, development, modification, maintenance, monitoring and/or integration, and developing project designs for Abandoned Mined Land (AML), bond forfeiture, and watershed restoration projects. This position has been designated as required to file a Statement of Economic Interests in accordance with Section 2.2-3114 in the *Code of Virginia*.

QUALIFICATIONS: Considerable knowledge of computer operations, spatial database design and operation, computer aided design (CAD), Geographic Information Systems (GIS), Global Positioning Systems (GPS), remote sensing technologies and engineering principles and practices. Demonstrated ability to apply spatial database skills and engineering principles. Ability to communicate effectively verbally and in writing. College degree in Geographic Information Systems, computer science, geoinformatics, engineering or related field. Registration or certification is desirable. An equivalent combination of training and experience indicating possession of the preceding knowledge, skills, and abilities may substitute for education and experience. Experienced in spatial database and maintenance, application of regulations and engineering principles preferably in the mineral extraction industry is desirable.

TO APPLY: All applications **MUST** be submitted on-line through the Commonwealth Recruitment Management System (RMS) <https://jobs.agencies.virginia.gov>. Telephone (276) 523-8142. TTY/TDD: (800) 828-1120.

ALL APPLICATIONS MUST BE RECEIVED ONLINE BY 5:00 P.M., FRIDAY, JANUARY 16, 2009
